The regulation of the educational ID cards based on Government Regulation No 362/2011 (XII.30.) states that the higher educational ID card *falls within the scope of the government regulation based on the order of protection of security documents.*
The Student will be obliged to pay <u>3500 HUF</u> *to the University if she/he looses the validation sticker referring to the actual semester. The University will not forward the applicaiton of the new educational ID card or will not validate the educational ID card until the Student pays the above mentioned fee.*

In the case of reasonable suspicion of criminal offences related to the educational ID card (counterfeiting of authentic instrument, fraud, etc.) the University will press criminal charges.

3. **Statement of the student**
I, the undersigned …… student hereby declare on my honour, and I confirm it with my signature that the facts written in the points 1-2 are true. I acknowledge on the basis of the information received and my statement that in the case of violating the laws relating to the educational ID cards, the University may initiate disciplinary impeachment or criminal complaint.
