## IMPORTANT - changes in PTE bank account details

Dear Students!

I would like to inform you that due to the change of the higher education model from a state-run institution into a public foundation - maintained higher education institution, **the bank account and tax account details of the University of Pécs will change as of 1<sup>st</sup> August**. This may affect many financial transactions before and after 1<sup>st</sup> August as well.

Therefore, based on the above mentioned, please consider the following when choosing from the available payment methods:

- Paying with foreign currency at the cashier in Szántó Street will be possible until 20<sup>th</sup> July 2021. This service is expected to be available again from 9<sup>th</sup> August 2021.
- **Paying by Hungarian Forints will be possible until 12pm on 22<sup>nd</sup> July 2021**. This payment method is expected to be available again from 9<sup>th</sup> August 2021.
- When completing a payment via **bank transfer** please always consider the processing time.
  - The University's account at the Hungarian State Treasury (main account, sub-account and collective account) will be terminated on 31<sup>st</sup> July 2021.
  - You may start a direct transfer to the existing account on 31<sup>st</sup> July 2021, but from 1<sup>st</sup> August 2021, these transactions will be reversed.
  - Before transferring foreign currency and starting a transaction from abroad please consult with your account holder bank about the expected time of the transfer's arrival. If it cannot be guaranteed that, the transfer will arrive until 31<sup>st</sup> July 2021 to the University's account at the Hungarian State Treasury, then please start the transaction to the University's new account on 2<sup>nd</sup> August 2021.
- Paying by a bankcard via **SimplePay** will not be interrupted, so please when possible then use this payment method to fulfil payment obligations.

Due to the change of the University's tax account, the issuance of invoices will not be available from 31<sup>st</sup> July 2021 until 9<sup>th</sup> August 2021.

If you have any questions about the above mentioned, please contact us on the e-mail address of our customer service.

Thank you for your understanding and cooperation.

Kind regards,
