

IMPORTANT - changes in PTE bank account details

Dear Students!

I would like to inform you that due to the change of the higher education model from a state-run institution into a public foundation - maintained higher education institution, **the bank account and tax account details of the University of Pécs will change as of 1st August**. This may affect many financial transactions before and after 1st August as well.

Therefore, based on the above mentioned, please consider the following when choosing from the available payment methods:

- Paying with foreign currency at the cashier in Szántó Street will be possible until 20th July 2021. This service is expected to be available again from 9th August 2021.
- **Paying by Hungarian Forints will be possible until 12pm on 22nd July 2021**. This payment method is expected to be available again from 9th August 2021.
- When completing a payment via **bank transfer** please always consider the processing time.
 - The University's account at the Hungarian State Treasury (main account, sub-account and collective account) will be terminated on 31st July 2021.
 - You may start a direct transfer to the existing account on 31st July 2021, but from 1st August 2021, these transactions will be reversed.
 - Before transferring foreign currency and starting a transaction from abroad please consult with your account holder bank about the expected time of the transfer's arrival. If it cannot be guaranteed that, the transfer will arrive until 31st July 2021 to the University's account at the Hungarian State Treasury, then please start the transaction to the University's new account on 2nd August 2021.
- Paying by a bankcard via **SimplePay** will not be interrupted, so please when possible then use this payment method to fulfil payment obligations.

Due to the change of the University's tax account, the issuance of invoices will not be available from 31st July 2021 until 9th August 2021.

If you have any questions about the above mentioned, please contact us on the e-mail address of our customer service.

Thank you for your understanding and cooperation.

Kind regards,
